Call for Papers & Workshops 16th Annual Good Laboratory Practice Technical Conference 2010

Sponsored by
VA AWWA / VWEA Laboratory Practice Committee

The Laboratory Practice Committee hereby invites the submission of abstracts for papers and workshops for the 16th Annual GLP Conference, to be held in Charlottesville, Virginia on August 2nd and 3rd, 2010 at the Omni Charlottesville Hotel. This conference is designed to provide the latest information on major issues such as analytical method updates and development, laboratory accreditation, regulatory updates, particularly those impacting laboratory staff and utilities; and emerging technologies and analytical instrumentation. This is a great opportunity to present new information related to water and wastewater issues. Workshops will be held on the 2nd and the technical presentations will be given on the 3rd.

We encourage you to submit an abstract and participate in discussions that are important to the advancement of our laboratory professionals. Conference topics may include but are not limited to the following:

- Natural water monitoring
- Environmental Research
- Treatment plant monitoring
- Drinking water distribution
- Bacteriological Techniques
- Drinking water disinfection
- Laboratory Accreditation
- Laboratory management
- Security issues
- Water and Wastewater Analytical Methods
- LIMS, Laboratory software Applications
- Laboratory Practices
- Laboratory Ethics
- QA/QC Issues
- Regulatory Issues
- Emerging Instrumental Technology
- Analytical Instrument Troubleshooting
- Nutrient Screening Methods

Abstract and Paper submissions for technical presentation:

Submit a 300 word or less abstract that lists the title, author(s), affiliation, phone number, and email address. Morning session presentations are 40 minutes. Afternoon technical session presentations are 20 minutes with 5 minute Q&A.

Workshop Proposal submission:

Submit a 1 page workshop outline that includes information on the subject matter and name(s), affiliation, email address, and phone number of workshop instructors. Workshops are 3 hour sessions.

Final date to submit abstracts is April 1, 2010.
Deadline for Presentations and Workshops for CD Proceedings due July 9, 2010.

Please submit your **technical presentations** to or for further information contact:

Robin Parnell
Laboratory Manager, HRSD
757-460-4203
